

E8

Loved, coveted, trusted

Benefits at a glance

- Large 3.5" display for ease of use
- P.A.G.2 grinder for consistently high-quality results
- Timeless design that combines harmony and precision
- Wide range of products to choose from for maximum enjoyment

The latest generation of the E8 lives up in every way to the high expectations that await the new edition of JURA's most successful coffee machine model. Incredibly simple to use, it combines delicious coffee results with sleek modern design. State-of-the-art technology enables it to prepare 17 different coffee classics and specialities at the touch of a button, to the same standard of quality you would expect in a coffee bar. Thanks to the P.A.G.2 grinder, the beans are always freshly ground, while the advanced brewing technology ensures that the coffee is extracted under optimum conditions. Choosing your coffee is direct and intuitive, because the 3.5" touch display with large symbols is very easy to use. Equipped with a range of premium-segment features, the E8 also retains its value over time.
